## LETTER OF GRATITUDE

Oleksandr Pasichnyk has worked for the Supervision France S.A.S. Company for the Olympic games in Sochi in 2014, as project manager, managing a team of 12 technicians, in 16 Olympic venues in Russia between 20th November and 27th March 2014.

Oleksandr delivered an excellent service. He is professional and knowledgeable in his area. His proactive and flexible attitude allowed us to implement many new features.

Despite the very tight schedule and long working hours, he and his team kept a positive attitude throughout the project, which was highly appreciated.

Oleksandr would be a great asset for your company and has my highest recommendation. If you have any further questions with regard to his abilities, please do not hesitate to call me.
