

UEFA Events S.A.

To whom it may concern

Oleksandr Pasichnyk has worked for the Company Supervision for the UEFA EURO 2012 Trophy tour as tour leader for the giant screen truck, managing a team of 3 technicians, in 8 cities in Poland and Ukraine between 20th April and 25th May 2012.

Oleksandr delivered an excellent service. He is professional and knowledgeable in his area. His proactive and flexible attitude allowed us to implement many new features and improvements which considerably enhanced the content of the giant screen programme. Despite the very tight schedule and long working hours, he and his team kept a positive attitude throughout the tour which was highly appreciated.

Oleksandr would be a great asset for your company and has my highest recommendation. If you have any further questions with regard to his abilities, please do not hesitate to call me.

Yours faithfully,
